January 10, 2009

To: Members of the Philippine astronomical community, and
the General Public

Subject: 1st Philippine Astronomy Convention and 100 Hours of Astronomy - Philippines

Dear Sir/Ma'am,

Greetings!

I would like to inform you of the coming celebrations being planned and set to further promote Astronomy nationwide and worldwide. This letter also serves as invitation to join hands in coordinating our activities for the year 2009 - which will be celebrated as the biggest worldwide celebration in Astronomy.

The Astronomical League of the Philippines will be holding the 1st Philippine Astronomy Convention (PAC 2009) this coming February 15, 2009 at the Rizal Technological University to coincide with the National Astronomy Week (NAW) Celebration.

In line with this, we would like to invite you to this Convention and also to assist you join in the festivities by helping you coordinate your own celebrations for the NAW2009 and IYA2009 by including your planned events/activities in our website: www.astroleaguephils.org and in the International Sidewalk Astronomers website for 100 Hours of Astronomy at www.100hoursofastronomy.org.

Just email to doclee@astroleaguephils.org or to medlee1us@yahoo.com your activities and I will upload them to the sites I mentioned. By coordinating, we can make our celebration bigger and hopefully garner more attention from the people in our community as well as the international astronomical community.

Should you wish to contact me by phone, please give me a call or send an SMS to (0917) 7922053.

Please visit the PAC web page at <http://www.astroleaguephils.org/pac.html> for further announcements and updates regarding the convention.

We hope to see you in this grand celebration of the International Year of Astronomy!

Clear Skies,

Noted:

Dr. Armando Lee, ALP
Chairman-NAW2009
Astronomical League of the Philippines
National Organizer for the Philippines 100HA
International Sidewalk Astronomers

James Kevin Ty, ALP
President
Astronomical League of the Philippines
